

# Skills4All - Game Officials

# What is the goals of the IHF Officiating program?

- A strong product at the IHF events and championships.
  - Good preparation in our structure.
  - Support and tools to the MNAs where the MNAs are having their everyday life.
  - Supporting the work with the next generation.
  - Innovate and develop within the officiating.

## What are some of our current projects?

- Decision making.
  - Previous WM18, WM20 and now first time female GO used it.
  - Long term training and education towards the WMIA.
  - Positive learning towards the creation of the IIHF GO Educational Framework.
- Good to Great online webinars.
- Officiating coaches development.
- Education framework

# More than just the rules

- Professional skills
- Interpersonal skills
- Intrapersonal skills
- “The best that they can be”

**What is one key  
message?**

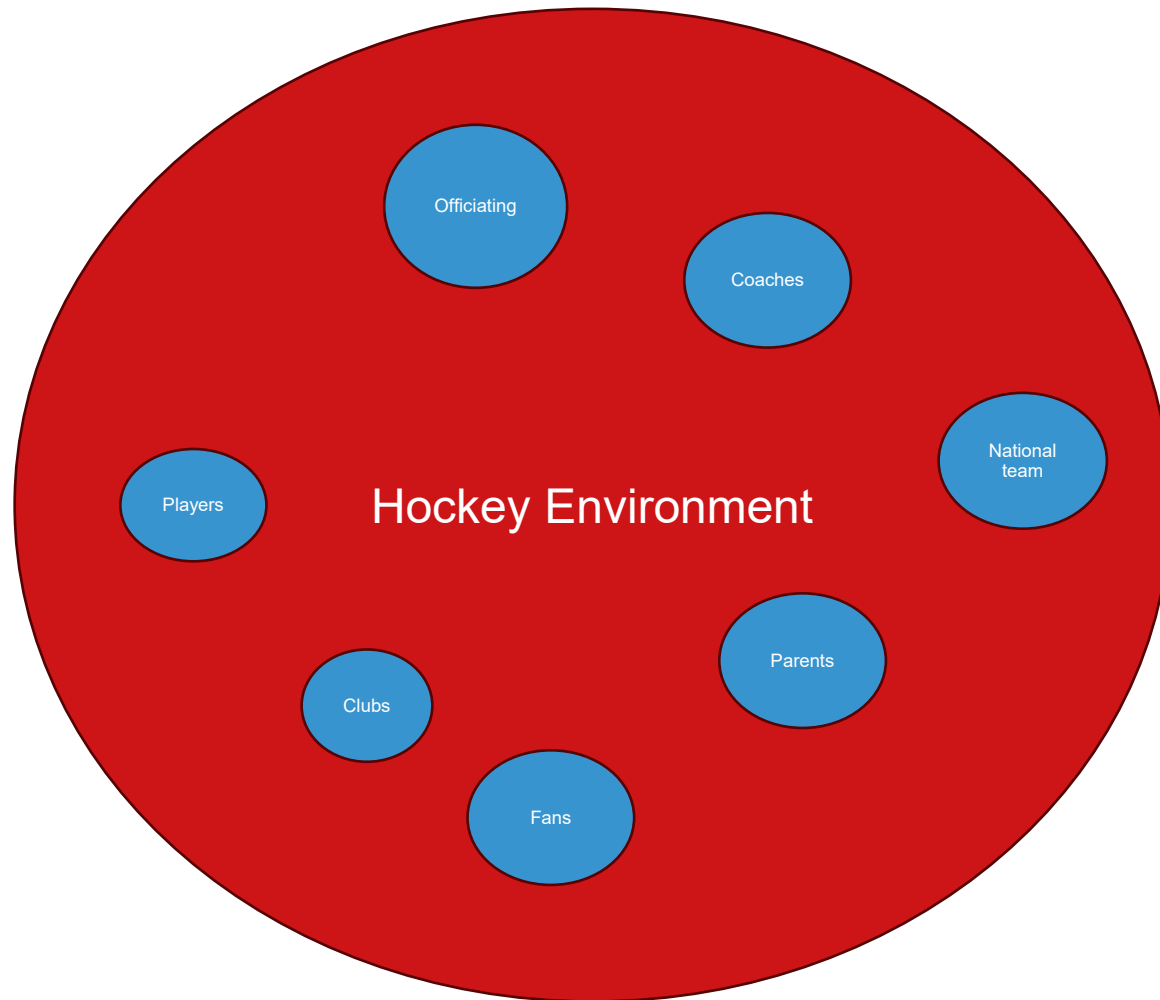

***“As many as possible  
for as long as  
possible!”***

Club/federation  
environment

Officiating  
environment

# Two thoughts in our mind at the same time

- Everyone starting within ice hockey is an investment from someone.
- The opportunity to stay in ice hockey could be within officiating.
- **Participation pathway**
  - Play an important part in the larger ice hockey community.
- **Performance pathway**
  - Creative an attractive product and competition environment.
- Social – Physical activity – Developing
