Ice Hockey World Championship Div II-IV	(WMII-IV)
Ice Hockey U20 World Championship Div I-III	(WM20I-III)
Ice Hockey U18 World Championship Div I-III	(WM18I-III)
Ice Hockey Women's World Championship Div I-III	(WWI-III)
Ice Hockey U18 Women's World Championship Div I-II	(WW18I-II)

## **Preface**

The Host must be aware of the value of IIHF Championships and organise the Championship in accordance with international standards in order to serve the best interest of the sport and the Championship.

The IIHF has produced and distributed the Championship Regulations to all IIHF Member National Associations to direct and guide the Host in the administrative organisation and operation of an IIHF sanctioned Championship event.

In an attempt to serve the Host as well as the prospective applicant for an IIHF World Championship, the Regulations have been revised, adapted and scaled for the mentioned events and comprise now all necessary information of former regulations, guidelines, manuals and handbooks.

The content of these 2020/21 – 2021/22 Season IIHF Championship Regulations is valid only for the IIHF Championships of lower Divisions, e.g. IIHF Ice Hockey World Championship Division II-IV, the IIHF Ice Hockey U20 World Championship Division I-III, the IIHF Ice Hockey U18 World Championship Division I-III, the IIHF Ice Hockey Women's World Championship Division I-III and the IIHF Ice Hockey U18 Women's World Championship Division I-II. It supersedes any and all previous printings of these regulations for the aforementioned Championships.

Therefore, we are pleased to present the current issue to all IIHF Member National Associations, providing you with the direction and guidance in order to apply for and organize the various sanctioned competitions, operated under the authority of the International Ice Hockey Federation. We trust that the instructions and the information contained within this document will provide the necessary details and tools for our Member National Associations, their teams and their players to compete in a fair and sporting fashion in IIHF Championship events.

Regulations pertaining to international player transfers, sport technical issues, seeding, games schedules, medical, health and first aid, medical doping control and the actual playing rules can be found in the IIHF Statutes and Bylaws and the respective IIHF Rule and IIHF Regulation documents. Please contact the IIHF Office directly for any clarification on any of the regulations or for questions on topics not covered in this publication.

If not otherwise stated according to below, the "IIHF" refers to the IIHF Council communicated through the office during the pre-event period and the Championship Directorate from the time when the first Directorate meeting is held at the start of each respective Championship.

## **1 GENERAL**

### **1.1 IIHF CHAMPIONSHIP REGULATIONS**

The principles and rules relating to the organisation of IIHF Championships are specified in the IIHF Statutes, Bylaws, Championship Regulations, Sports Regulations and Medical Regulations.

### **1.2 APPLICATION**

The following IIHF Championship Regulations apply to the IIHF Ice Hockey World Championship Division II-IV, the IIHF Ice Hockey U20 World Championship Division I-III, the IIHF Ice Hockey U18 World Championship Division I-III, the IIHF Ice Hockey Women's World Championship Division I-III and the IIHF Ice Hockey U18 Women's World Championship Division I-II, hereinafter referred to as the Championships.

### **1.3 OWNERSHIP OF IIHF CHAMPIONSHIPS**

The IIHF is the exclusive worldwide owner of all rights pertaining to all Championships and competitions as defined by IIHF Bylaw 1.

### **1.4 HOSTING RIGHTS**

#### **1.4.1 General**

It is the practice of the IIHF to entrust the organisation of an IIHF Championship or competition to a hosting member national ice hockey association, hereinafter referred to as the Host.

#### **1.4.2 Hosting Rights**

The Hosting rights are regarded granted to the Host as soon as the specific Host Country Contract has been signed by the Host and the IIHF after the allocation of the Championship by the IIHF Annual Congress. The hosting rights of the Championship granted to the Host are not transferable to a third party. Inability of the Host to perform in accordance with the IIHF Statutes, Bylaws and Regulations can only result in the return of the event to the IIHF or it being reclaimed by the IIHF.

The Host, in accepting the hosting rights and organisational responsibilities, must at all times maintain full hosting and organisational control, and provide at the request of the IIHF interim progress and financial reports.

#### **1.4.3 Host Sub-contractors**

If a Host wishes to subcontract a part of the rights and/or obligations to any third party, the third party and the agreement must be approved by the IIHF Council before any contract will be signed.

Where part of the rights and obligations of the Host are subcontracted to a third party, the Host is still fully responsible for the organisation of the Championship in relation to the IIHF and its partners. The Host shall ensure that third parties shall fulfil all obligations according to the IIHF Statutes, Bylaws and Regulations pertaining to the Championship.

### **1.5 HOST OBLIGATIONS**

The Host shall organise the Championship on behalf of the IIHF.

The Host must take full responsibility for the organisation of the event in accordance with the IIHF Statutes, Bylaws and Regulations without exceptions, and fulfil all organisational responsibilities specified therein and in the Host Country Contract as well as in any separate agreement with the IIHF.

Any agreement entered by the Host in order to fulfil such requirements shall be entered into solely in the name of the Host. The IIHF is not in any way a partner of agreements with third parties subcontracted by the Host.

Member National Associations applying to organise an IIHF Championship are advised to address any variation to the IIHF rules pertaining to the Championship with the IIHF before making the application

to host the Championship.

## 2 ORGANISATIONAL PROVISIONS

### 2.1 PROJECT PLAN

A Project Plan has to be presented to the IIHF after the Championship allocation and shall be continuously updated and communicated to the IIHF and serve as the basis for the co-operation between the IIHF and the Host. The Project Plan shall include among others:

- Organisation chart, naming all persons and their respective positions; and
- Timetable including all major activities, key decisions and milestones according to the Championship Regulations and other key dates relating to the preparation of the Championship.

### 2.2 EXECUTIVE COMMITTEE ("EC")

#### 2.2.1 Executive Members

An Executive Committee ("EC") shall be set up for the organisation of the Championship and the EC shall consist of the following persons, unless otherwise stated by the IIHF:

Chairman: President of the Host National Association

Members: Chairman of the Organising Committee unless the President of the Host National Association holds this position

The EC chairman shall be fully responsible and accountable to the IIHF in all matters relating to the organisation of the Championship.

#### 2.2.2 EC Tasks

The EC shall perform among others the following duties:

- Set policies and make decisions, as required;
- Ensure that the Championship is organised according to the IIHF Statutes, Bylaws and Regulations pertaining to the Championship;
- Oversee the preparations of the Championship and receive reports on all activities of the Organising Committee(s) according to article 2.3 below; and
- Approve and monitor the operating budget.

The EC is responsible for providing the IIHF Directorate (which shall consist of representatives of the IIHF and at least one English speaking representative of the participating associations) with according reports during the Championship in order to ensure that the Championship is operated in accordance with the IIHF Statutes, Bylaws and Regulations pertaining to the Championship.

### 2.3 ORGANISING COMMITTEE ("OC")

#### 2.3.1 General

If the Championship is organised in a single city location the EC may appoint an Organising Committee ("OC").

If the Championship is organised in two cities there shall be beside the EC one Central Organising Committee ("COC"), who shall communicate with the EC and the IIHF on behalf of the Local Organising Committees ("LOC") established by the COC in each city.

#### 2.3.2 OC Members

The OC(s) shall be made up of a representative of the Host National Association and representatives from the respective local civic and ice hockey community. The structure of the OC(s) and the appointments of management positions shall be subject to approval by the EC.

In case of a single city location, the COC or the OC may be chaired by another Host National Association representative than the President and shall be fully responsible and accountable to the EC and the IIHF in all matters relating to the organisation of the Championship.

If the Host has employed the services of a third party to assist in the organisation of a championship, they may be represented in the OC after the approval of the IIHF.

### 2.3.3 OC Tasks

The OC shall perform among others the following duties:

- Promote and stage the Championship;
- Implement decisions made by the EC;
- Implement instructions given by the IIHF; and
- Establish a management and operational structure for the organisation.

Prior to the Championship, the OC must inform the IIHF and the participating Member National Associations when requested by the IIHF about all aspects of the organisation of the Championship.

## 2.4 STAFF AND VOLUNTEERS

The Host shall be responsible for appointing qualified persons to the EC and OC(s) to support and to co-ordinate the day-to-day operations before, during and after the Championship.

## 2.5 SITE VISITS

Immediately after the allocation of an IIHF Championship, the Host must contact the IIHF in order to schedule site visits and to discuss all aspects of mutual co-operation related to the Championship, including but not limited to, matters related to broadcasting, advertising and merchandising rights, inspection of arenas, placing of advertising, preparation and production of all materials associated with the organisation and operation of the Championship (i.e. bulletins, journals, posters, programmes, cards, tickets, stationery, statistics, etc.), obtaining of equipment, suppliers and sponsors.

## 2.6 MEETINGS AND MINUTES

The Host is responsible for the writing and distribution of minutes of all meetings between the Host and the IIHF and meetings between the Host, IIHF and any of its partners. Once the minutes are approved, the Host shall distribute the minutes to all parties concerned no later than one week following the meeting.

# 3 FINANCES

## 3.1 REVENUES

### 3.1.1 General

The Host is entitled to all revenues derived from the Championship with the exception of the following:

- Revenues derived from the exploitation of rights owned by the IIHF as further specified in the Host Country Contract.

The Host may purchase or be granted additional rights from the IIHF. The revenues derived from the purchase of such rights shall be distributed according to the conditions as specified in each case by the IIHF.

## 3.2 COST RESPONSIBILITY

The Host is obliged to cover all costs related to the organisation of the Championship in accordance with the IIHF Statutes, Bylaws and Regulations, unless otherwise stated by the IIHF.

## 3.3 FINANCIAL REPORT TO THE IIHF

The Host shall provide the IIHF with a complete set of management accounts for the Championship.

After the Championship the Host shall supply to the IIHF a detailed profit and loss statement.

### 3.4 HOST NATION TAXES, FEES ETC.

The hosting Member National Association shall pay any taxes and/or similar fees levied by the country hosting the Championship on any revenues from the Championship or payments to the participants or to the IIHF.

The Host is obliged to ensure that importation and exportation of objects, products, technical equipment etc. supplied or to be used by the IIHF, the Commercial Partner, TV- and radio broadcasters, official sponsors and equipment suppliers (advertising boards, products for personal use, technical material, equipment material etc.) can be affected free of charge and without any problems. The Host shall guarantee the necessary support or pre-arrangements with customs authorities.

The Host must provide the IIHF and its partners with all necessary official documents for tax-exempt and duty-free importation and exportation of all equipment and material supplied and to be used in relation to the Championship, irrespective of the means of transport.

## 4 VENUES AND FACILITIES

### 4.1 VENUES/CITIES

#### 4.1.1 Number of Venues/Cities

If there are more than 6 teams participating in the Championship, the Host must have two ice arenas (depending on the playing system and the required ice time for games and practices) corresponding with the IIHF requirements.

The Championship may not be played in more than two ice arenas. Exceptions may be permitted by the IIHF Council after receiving a written request from the Host.

#### 4.1.2 Location of Venues

The IIHF Congress shall approve the arenas and cities.

The Championship shall be played in cities not further than three hours travelling time apart (arena to arena).

#### 4.1.3 Ice Rinks

Game and practice rinks must have guaranteed exclusivity regarding all areas, e.g. dressing rooms, club areas, clean venue rule, catering rights etc., and be reserved for the sole use of the participants of the IIHF Ice Hockey World Championship, during the entire event, including game-free days.

The specification of the ice rinks must comply with the official IIHF Rule Book and have to be fit for purpose one week prior to the start of the Championship and have to be maintained as such throughout the duration of the Championship.

#### 4.1.4 Light Requirements

The lighting strength in the ice pad areas must be at least 900 lux with 600 lux for practice.

#### 4.1.5 Electricity Requirements

The Host is obliged to provide a sufficient supply of electricity in order to organise and broadcast the Championship. The Host shall operate a reasonable Emergency Power Plan, which shall be approved by the IIHF. Electricity usage by TV companies for OB-vans, TV studios etc. shall be supplied by the organiser but paid for by the requesting party.

#### 4.1.6 Environmental Requirements

The Host shall ensure compliance with national environmental legislation relating to the arenas.

The Host shall take all reasonable steps to ensure that there is no smoking in the arena and to prevent the use of air horns. The Host shall ensure that air horns are not sold in any area under their control.

No giveaways shall be distributed without prior IIHF approval.

## 4.2 ARENA ROOMS AND FACILITIES

All rooms should be clearly signed and a proper directional signage system (combined with the accreditation zones approved by the IIHF) should guide the various persons easily and quickly through the whole venue.

### 4.2.1 Allocation of Rooms

The allocation of rooms with all relating details, such as office equipment and basic furniture needed to fulfil the purpose of each room, will be laid down on occasion of a site visitation. The minutes of the site visit together with an attached floor plan shall be signed by the IIHF and the Host. The IIHF may request and/or approve changes of the allocation of rooms. However, any such request must be made at the latest three (3) months before the Championship.

### 4.2.2 Team Dressing Rooms

Each participating team shall be allocated a permanent dressing room (approximately 80 m<sup>2</sup>) with additional rooms attached to it to host showers (min. 6 shower heads), WC (min. 3 toilets), coaches room with a separate entrance door at WW and WW18 categories (approx. 10 m<sup>2</sup>), massage room (approx. 10 m<sup>2</sup>), storage (approx. 10 m<sup>2</sup>), and drying facilities and a TV set with the live signal of all games in both venues. Each dressing room should have enough seats/spaces to hold the number of players specified under Official Participants (7.4) and in the relevant IIHF Bylaws.

If the arena does not provide appropriate dressing rooms within 2 minutes walking time between the dressing room and the access to the ice, the host has to provide game dressing rooms as close to the ice as possible.

### 4.2.3 Team Stretching and Warm-up Area

The Host shall provide a stretching and warm-up area to be shared by the teams playing in the arena. The area shall be equipped with sufficient stationary bikes, floor matting and adequate ventilation and security.

### 4.2.4 Game Official Areas

For the assigned Game Officials (1 Referees, 2 Linesmen) and the assigned Stand-by Game Officials (1 Referee, 1 Linesman) shall be allocated adequate dressing rooms, with a minimum size of 20 m<sup>2</sup>, equipped with showers and WC in each arena.

If two (2) or more games are played per day in one arena, two (2) dressing rooms for the Game Officials shall be provided if required by the IIHF.

The Game Officials dressing rooms shall be equipped as follows:

- Bench/chairs and equipment stalls and cloth racks for three (3) Game Officials (working crew);
- Bench/chairs and equipment stalls and cloth racks for two (2) Stand-by Game Officials;
- Internet Connection (highspeed Wi-Fi Access);
- TV Screen – adequate size, with live signal from both venues;
- Time clock, connected to game clock for pre-game and between period count-down;
- Security set-up/ Security-check at the door, and/or lockable doors;
- Cleaning service for the dressing room between the games;

The Game Officials shall be provided with:

- Access to organized equipment and repair service;
- Access to skate sharpening service;
- Drink service delivered to the dressing room (sealed water bottles, isotonic drinks, coffee/tea, incl. milk and sugar);
- Snack service delivered to the dressing room (assortment of fruits, energy bars, etc.);
- Shower towels for all assigned Game Officials;
- Laundry service (incl. laundry bags) for uniforms and underwear, after each game and ice practice, preferably provided inside the arena – next day delivery; and
- Skate laces (white), tape assortment (black, white and transparent tape) and visor cleaner.

The Game Official Warm-up Zone shall be equipped with:

- Two (2) stationary warm-up bikes;
- Floor matting;
- Adequate air-conditioning, ventilation; and
- Security set-up.

The Game Official Equipment Drying Room shall be equipped with:

- Drying facility with ventilation in the arena or hotel;
- Sufficient drying racks for all Game Officials' equipment;
- Dehumidifier/ electric heater; and
- Lockable doors.

#### 4.2.5 Doping Control Station and First Aid Room

The Host shall provide a Doping Control Station and a First Aid Room as close as possible to the ice-rink and the player dressing rooms. The rooms shall be connected with rubber floor matting to the dressing rooms and equipped and operated in accordance with the IIHF Medical Regulations and IIHF Doping Control Regulations.

#### 4.2.6 Statistical Service

The Host shall provide working space in the arena for the service of the IIHF computer statistic system HYDRA. This server room has restricted access and should be located close to the time keeping bench and provide working space for three persons. Equipment and connections must be provided as specified in the Host Country Contract and the environment must be suitable in regard to temperature and ventilation to run powerful computers.

#### 4.2.7 Directorate Meeting Room

The Host shall provide a spacious and adequately furnished and equipped room (television set, flip chart, beamer) for Directorate Meetings with a U-shaped set up for approx. 20 persons. Mail and information boxes for each team, Directorate Members and Supervisors shall be set up within or in the vicinity of the meeting room.

At the date of the first Directorate Meeting 3 rooms with classroom style set up for approx. 15 persons are required where the Medical Meeting, the Head Coach Rule Information Meeting (HCRIM), Passport Control Meeting will be held simultaneously. The Directorate Meeting will be held following the Passport Control Meeting in the same room.

The Host is responsible for preparing all documentation for Directorate Meetings, under the guidance of the IIHF. The Host is also responsible for providing a minute keeper for all Directorate Meetings, and for producing and distributing said minutes, following their approval by the chairman.

#### 4.2.8 IIHF Staff Office

The Host must provide in each arena one office with up to 3 working spaces in total with necessary equipment installed and ready to be used 2 days prior to the Championship. The equipment shall include, but not be limited to sufficient lighting, a telephone with international access, fax machine, copy machine, printer and 3 lines for simultaneous internet access.

#### 4.2.9 Media Service

The Host shall provide media services according to Chapter 14 below, which include the provision of the following facilities:

- Media Centre: Room or tent offering convenient working conditions for up to 30 accredited journalists and reporters;
- Media Tribune: 30 seats per game in the spectator area of each arena to accommodate print media journalists. The seating area shall be the same throughout the whole Championship and they shall be located as approved by the IIHF, taking in consideration existing media facilities;
- Commentator Positions: Where necessary, up to 10 positions (each comprising 3 seats) per game in the spectator area of each arena for commentator positions (TV and Radio). The seats shall be the same throughout the whole Championship and they shall be located on the same side as the main camera platform as close as possible to the centre of the ice surface;
- Press Conference Room: Separate room suitable for press conferences with space for up to 25 persons;
- Mixed Zone: Sufficient amount of space for media interviews in the arenas located as close as possible to the player dressing rooms and the press conference room. The Mixed Zone shall be of adequate size to accommodate all interested media representatives with easy access from the media zone; and
- Photocopy Centre: An office or facility as close as possible to the Office for Game Statistics according to article 4.2.6.

#### 4.2.10 Transportation Centre

The Host shall provide a fully equipped transportation office/desk according to Chapter 8 below. The transportation office/desk shall be located within or in the vicinity of each game arena.

#### 4.2.11 Accreditation Centre

The Host shall provide an Accreditation Centre within or in the vicinity of each game arena. The centre shall be fully equipped and operated by the host.

The Accreditation Centre shall have direct public access and there shall be ample working space in the centre allowing a flow of larger groups of people.

#### 4.2.12 Broadcasting Infrastructure

The Host must provide sufficient and suitable space and infrastructure in the arena for any TV and Radio broadcasting in accordance with Chapter 13. The broadcasting infrastructure includes, but is not limited to, availability of electricity, telephone lines, internet connections and TV facilities like camera podiums and camera instalments at the ceiling (i.e. video goal judge camera), walls etc.

Where needed, the Host shall provide space for TV studios upon request by the respective TV companies, but not creating any loss on spectator seats ("Seat Kills"). Requests must be made not later than six (6) months before the Championship.

#### 4.2.13 Arena Public Area

The public area in the arenas and direct vicinity shall be available for activities such as advertising, product placement and general information. In case permission by public authorities is needed for activities according to above, the Host shall apply for such permission on behalf of the IIHF.

## 5 COMPETITION

### 5.1 IIHF SPORTS REGULATIONS AND IIHF OFFICIAL RULES

The Host is obliged to comply with the IIHF Official Rule Book and Sport Regulations without exceptions.

### 5.2 LETTER OF INVITATION

The Host must arrange for letters of invitation and necessary support related to entry visas and for all necessary approvals for the entry of all teams and official participants, the IIHF representatives and Commercial Partner clients (official suppliers, sponsors, broadcasters etc.) and their material, even

when no diplomatic relations exist between the host country and that of official visitors.

### 5.3 TEAM HOSTS

The Host must assign a Team Host to each participating team and the group of the Game Officials and this Team Host shall serve as the contact person between the Host and the respective teams. The Team Hosts must be able to speak fluent English and the native language of the respective team.

### 5.4 GAMES SERVICES

The Host must provide the following services for all participating teams and Game Officials:

- Uniform service according to the IIHF Uniform Service Procedure if applicable;
- Equipment repair service;
- Skate sharpening service;
- Laundry service (incl. laundry bags) for uniforms, towels and underwear after each game and practice. Returning times for laundry service must be defined between teams and OC;
- Towel service for games and practices;
- Sufficient pucks (approx. 50 per team) for practices, pre-game warm-ups; Official game pucks will be provided by the IIHF;
- Drink- and snack service delivered to the respective dressing rooms for games and practices; and
- Cleaning service for the dressing rooms, hallways, player- and penalty benches after warm-up and between periods.

### 5.5 CEREMONIES

The Host must provide sufficient personnel to ensure that the IIHF protocol as described below is implemented precisely.

#### 5.5.1 Flags

The arena must be decorated with national flags of the same dimensions and hanging from a similar height for all of the participating teams in the IIHF Championship. The flags are to be positioned from left to right (seen from the main tribune) in order of seeding as teams enter the Championship. The IIHF flag may be positioned at the start, the end. The flags may be positioned in the arena in an appropriate location for maximum visibility. The size of the IIHF flag does not need to be the same as the national flags. The Host must verify the authenticity of the respective national flags and anthems.

#### 5.5.2 Official Music

The Host is obliged to use the official IIHF music as provided in the opening and closing ceremonies, in pre-game procedure as teams enter the ice surface, and as specified in the Use of Official IIHF Music guidelines. The Host shall report the use of the official IIHF music to the respective collecting society (GEMA, SUISA, BIEM, etc.) and is responsible for any and all charges arising from the use of any copyright music.

#### 5.5.3 Opening Ceremony

The Opening Ceremony plan shall be presented to the IIHF for approval no later than 8 weeks prior to the Championship.

The Opening Ceremony shall be festive and last no longer than 10 minutes. It should not jeopardize the quality of the ice for the first game. The flag of the host country will be hoisted while the country's national anthem will be played. This is then followed by the ceremonial speech of the President of the Host National Association, followed by the IIHF President, or IIHF directorate chairman, who will declare: "On behalf of the International Ice Hockey Federation, I hereby declare the [year] IIHF Ice Hockey [category] Championship [division] opened". Upon request of the Host National Association, a representative of the State may open the Championship.

#### 5.5.4 Pre-Game Ceremony

Approximately 3.5 minutes before the scheduled starting time of a game and during the playing of the Championship music, both teams will enter the ice surface one after the other and stand on their respective blue lines with the referee(s) and linesmen standing in front of the timekeeper's bench. Team

captains will come forward to the game officials, exchange pennants, and shake hands while the announcer introduces the starting line ups. After that, the team skates to their goalie and then back to the bench, with only the starting players remaining on the ice. The opening face-off shall take place at the exact scheduled starting time of the game. For precise timing see the IIHF Pre- and Post- Game Countdown.

#### 5.5.5 Post-Game Ceremony

Immediately after the game is finished, both teams shall line up on their respective blue lines. The best player of each team will be awarded and after the awards have been presented the game officials will line up on the red line. The national anthem of the winning team must be played and at the same time their national flag shall be hoisted if possible. All players shall face the flag with helmets off and in a respectful fashion. At the conclusion of this, all players of both teams will shake hands and leave the ice. For exact timing see the IIHF Pre- and Post- Game countdown.

#### 5.5.6 Championship Awards

The cups and awards to be presented at the conclusion of the Championship by sponsors and suppliers shall be presented with the participation of IIHF representatives on the ice surface. Any other award presenter has to be approved by the IIHF. The cups and awards may include, but not be limited to, the following:

Provided by the IIHF:

- Gold, Silver and Bronze trophies and medals;
- Best players (Goaltender, Defenceman, Forward) in the tournament (nominated by the Directorate); and
- Best player of each team award.

Optional by the Organizer:

- Best 3 players of each team in the tournament (optional);
- Most valuable player (MVP) of the tournament (optional); and
- All-star Team (optional).

Other awards such as a leading scorer award or a fair-play trophy or similar and any other presentations may be provided by the Host but must be approved by the IIHF. The awards presented at official ceremonies cannot be in competition with the official IIHF Awards or with IIHF Sponsors or sponsor categories.

#### 5.5.7 Victory and Closing Ceremony

The Closing Ceremony plan shall be presented for the approval of the Chairman of the Directorate before the second-to last game day and should follow approximately the script below:

The gold, silver and bronze medal winning teams will be declared immediately after the post-game ceremony of the final game by the IIHF Directorate Chairman, accompanied by Organizing Committee representatives. The three medal winning teams will stand in an open square facing the main tribune with the gold and silver medal teams on the blue lines with the bronze medal team along the boards between the blue lines facing the tribune. At this point the individual award winners will come onto the ice surface to receive their awards by the representatives of sponsoring companies accompanied by IIHF representatives and organising committee representatives:

- Best players (Goaltender, Defenceman, Forward) in the tournament (nominated by the Directorate); and
- Other individual awards (approved by the IIHF and accepted by the Directorate).

After being awarded, these players will take their place inside the open square along with the three winning teams. Then the 3 winning team trophies and the gold, silver and bronze medals are presented to the players and team officials by IIHF Directorate Chairman accompanied by Organizing Committee representatives who place the medals around the necks of the players and team officials. The medals have to be worn by the players and team officials around the neck in respectful manner for the duration of the closing ceremony and the following post-game mixed zone and media conference procedures.

Any infraction of that rule will be reported to the IIHF Disciplinary Committee and could result in additional disciplinary sanctions under IIHF Statue 19 Finally, the national anthem of the gold medal team will be played while the flags of the three medal winning teams are hoisted.

If the Championship structure is designed so that only 2 teams are available for the victory- and closing ceremony, the bronze medal award ceremony may also take place after the bronze medal game.

The exact timing and scripting of the ceremonies will be elaborated between the Host, the IIHF, and the Commercial Partner, and are subject to IIHF approval.

## **6 MEDICAL AND DOPING**

The Host must ensure that the medical and doping control regulations as specified in the IIHF Medical Regulations and the IIHF Doping Control Regulations are fulfilled.

### **6.1 HEALTH CARE**

The Host must prepare, present and operate a complete medical program for players and spectators, including but not limited to, taking appropriate measures in the areas of doping control, health care services, nutrition and hydration standards, air quality control, medical supplies, medical services and staffing, and provide fully equipped medical facilities in each arena as laid down in the IIHF Medical Regulations and Medical Care Guide.

## **7 ACCOMMODATION AND BOARD**

### **7.1 GENERAL**

The Host is obliged to provide accommodation and full board (breakfast, lunch, dinner) to the persons listed in article 7.4 below, hereinafter referred to as Official Participants.

The Official Participants (if not otherwise stated below) are entitled to accommodation and meals in 3-star hotels of high-quality beginning at noon the day before the Championship begins until noon of the day after the official Championship mission for the participant concerned is terminated.

The IIHF shall approve the specific hotels in which the teams, game officials, IIHF will stay during the Championship. The approval of hotels according to the above shall be made no later than six (6) months before the Championship. Any change thereafter requires the written approval of the IIHF.

### **7.2 HOTEL RESERVATIONS**

The Host shall confirm to the IIHF the respective Hotels with their location not further away than 20-30 minutes travel time to the respective arena and room rates including room availability latest at the Semi-Annual Congress.

The IIHF shall advise the Host at least three (3) months and confirm one (1) month prior to the Championship the number of required rooms.

The Host is obliged to fulfil additional requests for hotel rooms for Official Participants as listed in article 7.4 below. The Host is also obliged to make reservations on behalf of the IIHF for persons not listed in Chapter 7.4, such as but not limited to, IIHF Committee members, IIHF Honorary Members, IIHF photographers and writers, guests and partners.

Any costs related to accommodation for persons not listed in Chapter 7.4 shall be paid by the guest concerned at the time of check-out, unless otherwise stated by the IIHF.

The Host shall make additional rooms available, especially for teams, at the same room rate they have negotiated for the Official Participants.

In addition, the following items shall be available at each hotel for the official participants:

- All rooms should have an own bathroom (shower, toilet);
- All rooms should not be occupied with more than two (2) team members;
- TV;
- Free internet access;
- All meals buffet style (three courses); and
- Providing buses on request for the day-off excursion on the cost of the teams.

### 7.3 MEALS AND MEAL MONEY

All participants listed in article 7.4 are entitled to breakfast at their respective hotels.

For participating teams, the host has to provide meals free of charge for the maximum number of players and officials as specified in the IIHF Bylaws 11 - 15. Additional meals have to be paid by the respective team.

Breakfast for participating teams shall be served in a reserved breakfast area or in a private meeting room with dedicated breakfast buffet. No other hotel guests may disturb teams during meals. Hot meals must be available for lunch and dinner and after evening games, until midnight.

The Host must ensure that the nutrition and hydration standards specified in the IIHF Medical Regulations are fulfilled.

### 7.4 OFFICIAL PARTICIPANTS

#### 7.4.1 Participating Teams

## 11 ADVERTISING RIGHTS

### 11.1 CLEAN-VENUE RULE

The Host is obliged to remove any and all advertising from all arenas, facilities and areas to be used in relation to the Championship which are not listed under 11.3 and 11.4.

### 11.2 ADVERTISING POLICY

All advertising in relation to the Championship shall be in accordance with the legislation of the Host Country. The Host has to inform the IIHF of any such legislation.

Advertisements with political, racial or religious content and advertising of alcohol (except beer at WM/WM20/WW), tobacco and pornography are prohibited. Advertising touching moral and ethical issues requires prior written approval of the IIHF.

### 11.3 ADVERTISING INSIDE THE ARENAS

The advertising opportunities include the following areas and will be regulated in the respective Host Country Contracts.

#### 11.3.1 Rink-side Area

Includes the following areas inside the game and practice arenas:

- Boards surrounding the ice rink; no second level permitted;
- Within the team and penalty benches area, under the condition that the advertising does not obstruct the spectators' view;
- under-ice areas as specified by the IIHF in the respective Host Country Contract;
- Area(s) of the official timing clock and the score board;
- Ice re-surfacing machines;
- Verbal advertising via loudspeakers - only when there is a stoppage in play;
- Any further advertising possibilities within the arenas/halls, such as safety nets/glass and product placement, in the spectator's area; and
- Backdrop advertising board to be used during all interviews in the entire Mixed Zone the Media centre and post-game press conference area.

Any other advertising and/or identifications inside the arenas are forbidden, unless permitted specifically

on a case-by-case basis by the IIHF.

Any other advertising possibilities inside the arenas can be approved and awarded by the IIHF to the Host in the Host Country Contract.

#### 11.4 OUTSIDE THE ARENAS AND THEIR IMMEDIATE VICINITY

The advertising opportunities include the following areas outside the arenas and are regulated in the respective Host Country Contract:

- Advertising on flags and banners;
- Advertising in the air (captive balloons etc.), as far as municipal authorities approve this;
- Advertising on the outside wall and perimeter as defined and agreed during a site visit by the IIHF; and
- Advertising on the spaces located in front of the arenas, as far as municipal authorities approve this, such as game and training areas and the spaces located directly inside and outside of the arenas, press centres, VIP lounges etc., under the control of the arena owner/manager. The exclusivity for the spaces above is only limited to the powers of control of the arena owners/managers.

The advertising rights outside the arenas are principally held by the Host.

Any other advertising possibilities outside the arenas can be approved and awarded by the IIHF to the Host.

#### 11.5 COMMERCIAL BREAKS

Upon request the IIHF may grant the right to use game breaks for TV advertising if applicable, for live televised games of the Championship.

According to IIHF Sport Regulations, the Host is obliged to ensure the organisational links between the game controlling bodies (on and off-ice officials) and the correct timing and duration of the commercials placed by television and the proceedings on the ice (whistle and restarting whistle and appropriate game situation). In any case, commercial timeouts must follow the correct procedure, as specified in the IIHF Sport Regulations.

#### 11.6 TEAM UNIFORMS AND HELMETS

The participating teams have been awarded the non-exclusive advertising rights to the jersey (game and practice) and helmets to be worn during all games and official practices by the players and official team representatives on the player bench.

The revenue generated from the sales thereof is the sole property of the respective national federation. The advertising on the uniforms and helmets is limited as follows:

- On the helmet's front side with max. size of 16 cm x 5.5 cm; and
- On both sleeves of the jersey, located above or below the number on the shoulder, with max size of 22cm x 8cm.

A maximum of two different sponsors is allowed (one helmet sponsor and one sleeve sponsor). If the front of the helmet is not used for advertising, the manufacturer's logo must be covered according to IIHF Supplier Pool Regulations.

Should a participating team find a sponsor for the team jersey and/or helmets, such advertising and the agreement with the sponsor must be approved by the IIHF no later than 30 days prior to start of the event.

#### 11.7 GAME OFFICIAL UNIFORMS AND HELMETS

The advertising on the uniforms and helmets of the game official is limited as follows:

- On the helmet's front side with max. size of 16 cm x 5.5 cm;
- On the breast part of the front and back side of the jerseys with max. size of 455cm<sup>2</sup>; and
- Other advertising possibilities as established and approved by the IIHF.

A maximum of two different sponsors is allowed (one helmet sponsor and one sleeve sponsor). If the front of the helmet is not used for advertising, the manufacturer's logo must be covered according to IIHF Supplier Pool Regulations.

Should a Host find a sponsor for the jersey and/or helmets, such advertising must be approved by the IIHF no later than 30 days prior to start of the event. After the advertising is approved, the IIHF will inform the respective referees and linesmen about the advertising and the fact that they must wear it.

The organiser bears all the costs of placing the advertising onto the jerseys and helmets. In case of permanent damage, the organiser has to remunerate the costs of replacing the jersey or helmet.

The income for the advertising on the referees and linesmen shall be divided as follows:

- 50 % to the Host
- 50 % to the IIHF

#### 11.8 FAN DATA

When requested by the IIHF, the Host shall provide the IIHF all fan data available to the Host and the ticketing provider for marketing purposes. To that end, the Host shall transfer to the IIHF all of the fan data necessary for marketing purposes which are in its possession and cause the ticket provider contracted by the Host to transfer all such fan data to the IIHF as the ticket provider may not have provided to the Host.

The Host shall ensure, and shall cause the ticket provider to ensure, that the ticket purchaser provides all the necessary consents to be able to implement the above said transfers and use of the fan data for marketing purposes by the IIHF in compliance with all applicable data protection and other relevant laws and regulations.

## 12 LICENSING AND MERCHANDISING RIGHTS

### 12.1 SPONSOR AND SUPPLIER CONTRACTS

The Host has the right to conclude contracts with suppliers of equipment and services to be used in the organisation of the Championship, hereinafter referred to as Organisational Equipment, including but not limited to cars, photocopiers, computer hardware, and beverage service, as agreed upon depending on the needs of the Host.

These cannot be in direct competition with IIHF supplier or sponsor categories.

### 12.2 ORGANISATIONAL EQUIPMENT

- The Host web page can be hosted by the IIHF and if not, the web page address must be known to the IIHF in order to build a link between the IIHF official web page and the Host web page; and
- The homepage must be delivered to the IIHF after the tournament in electronic form as specified by the IIHF.

### 12.9.3 Social Media Regulations

Social media channels developed by the LOC for an IIHF tournament should be pre-approved by the IIHF. The IIHF Website Manager must be granted administrator access to the page, and ownership of the social media page reverts to the IIHF at the conclusion of the event.

The LOC must ensure that the IIHF, the host country member national association, sponsors, commercial partners and participating teams can be associated with the content being published. Posts should be neutral in tone and should not criticize any of the stakeholders mentioned above.

The IIHF retains ownership of any social media account that are created by the LOC for the purpose of promoting an IIHF tournament or event.

Following the conclusion of the tournament, the IIHF reserves the right to reassign and social media accounts to a new LOC. If the existing LOC wishes to use the account for another purpose or to promote a future tournament, they must obtain approval from the IIHF Marketing and Communications Department.

The LOC should consult the IIHF Social Media Guidelines before setting up an account.

## 13 BROADCASTING

### 13.1 NON-EXCLUSIVE RIGHTS OF THE HOST

The broadcast and/or transmission rights are subject to the copyright remaining the property of the IIHF.

#### 13.1.1 National Transmission Rights

The non-exclusive TV rights granted to the Host are limited to the free to air terrestrial based transmission of the event solely to the national territory of the Host during and not longer than three days following the event.

The Host must advise the IIHF of all international and national requests and/or enquiries regarding the broadcasting of the event. The IIHF will review all such requests including cable, satellite, pay per view, pay per request and other distribution opportunities with the organiser.

The IIHF retains the right to enter agreements with TV stations and web casting providers that transmit their programme cross-nationally (e.g. Eurosport, ESPN etc.).

The Host may have a television broadcast partner, if any, serve as the host broadcaster for this event. This broadcast partner shall provide a feed of all produced games to the IIHF for redistribution to the federations, at rate card.

The Host is not permitted to sell television broadcasting and/or transmission rights to any broadcaster and/or station carrying the signal from the event to be re-financed, sponsored and/or presented by any company and/or product and/or service which conflicts with the current IIHF sponsor and/or advertiser product or service categories.

#### 13.1.2 Web casting

The rights granted herein also include the non-exclusive live web casting rights to transmit any audio, TV or video signal related to the event via Internet within the national territory of the organiser.

Moreover, they include the worldwide non-exclusive web casting rights to transmit game highlights after the end of each individual game.

#### 16.4 INSURANCE - GENERAL CONDITIONS

##### 16.4.1 Insurance policies

All insurance policies executed by the Host (and, if applicable, third parties such as the Arena Owner/Operator) shall be non-cancellable and provide coverage including post-processing and dismantling of the Event. The insurance policies shall be concluded at the earliest possible stage.

##### 16.4.2 IIHF Insurance Guidelines

These regulations are further defined and detailed in the respective IIHF Insurance Guidelines, which are mandatory to the Host.

#### 16.5 OFFICIAL PARTICIPANTS

##### 16.5.1 Participants' insurance

The member national association and its team competing at the Championship shall, at its own expense, secure and maintain all necessary health and personal accident insurance coverage for its players and team officials participating in accordance with the IIHF Statutes, Bylaws Rules and Regulations for the Championship.

##### 16.5.2 Evidence

Every member national association must, on its team's arrival at the Championship provide written evidence of the medical insurance coverage in place for its team in the official language of the IIHF, as required by the IIHF. In the event that a national member association fails to meet this requirement, the Host, in conjunction with the IIHF, must arrange for the necessary health insurance in accordance with the IIHF Statutes, Bylaws, Rules and Regulations for the Championship.

The IIHF shall be responsible to the Host for the costs of said coverage and shall deduct any costs of said health insurance from any monies that are owed to the member national association for its participation in the Championship.

##### 16.5.3 Third-party liability insurance

The IIHF recommends that every member national association, at its own expense, secure and maintain comprehensive general third-party liability insurance.

## 17 SECURITY

### 17.1 ARENA SECURITY AND PROTECTION

The Host shall provide sufficient security and access control to the entire arena and for the seats in the spectator area. The Host shall work in close co-operation with the local police and fire department to develop a Security Plan. The plan shall include emergency and evacuation scenarios for special political situations and risk groups, bomb and similar threats, security for high ranked VIPs, players and IIHF Officials, partners and guests.

The Host has to provide sufficient security to the ice-level (including player benches, penalty boxes and timekeeping bench), the team area, the mixed Zone and the office area during and beyond practice and game times. The Host may be held responsible for claims in case of incidents.

The Host must provide 24h security for the installed TV equipment in the arena and at the TV compound outside the arena.

#### 17.2 ACCESS TO CHAMPIONSHIP HOTELS

The Host shall ensure that the media and fans have restricted access to player hotels as specified by the IIHF and that the hotels provide sufficient security.

#### 17.3 ACCESS TO THE ICE SURFACE

The Host shall take all reasonable steps to ensure that no unauthorised persons are able to access the ice surface at any time.

#### 17.4 SAFETY CERTIFICATION

The Host is responsible for ensuring all required safety certifications related to the operation of the arena and its facilities and occupation by members of the public, participants, and employees have been obtained prior to the start of the Championship.

### 18 SANCTIONS

#### 18.1 IIHF DISCIPLINARY COMMITTEE

Any violation of the rights of the IIHF and/or its partners must be reported by the Championship Directorate Chairman and may become a matter for the IIHF Disciplinary Board.

#### 18.2 WITHDRAWAL OF HOSTING RIGHTS / CANCELLATION OF THE CHAMPIONSHIP

If the Host does not fulfil its commitment to host and organise the Championship, the Host will be fined by the IIHF according IIHF Bylaw 7, except in the case of force majeure.

The fine does not restrict the rights of the IIHF and/or the IIHF Member National Associations for compensation arising from the withdrawal of the Host or a confirmed participant.

Furthermore, if in the opinion of the IIHF Council and after having exhausted all possible remedies with the Host National Association:

1. The Member National Association is in fundamental breach of the Host Country Contract.
2. The Member National Association is unable to meet its obligations in accordance with the hosting contract.
3. The Member National Association has failed to meet any material pre-condition on which hosting rights were granted.
4. There is reason for concern that the well-being or the safe freedom of movement of the players, officials, travelling spectators and media is in doubt.

Then the IIHF Council shall have the right to withdraw hosting rights from a Member National Association and return the event to the IIHF without being liable for compensation to the Member National Association and to allocate the Championship to another Member National Association, subject to ratification by Congress.

#### 18.3. NON-FULFILMENT HOSTING OBLIGATIONS

If the Host fails to fulfil its commitment to organise the Championship in accordance with the rights and obligations stipulated in the Host Country Contract, IIHF Statutes and Bylaws, IIHF Championship Regulations, IIHF Sport Regulations and IIHF Rule Book and all other Regulations and Guidelines relevant to organising the respective Championship, the Host will be penalised by the IIHF and be fined up to CHF 1.000.000,-. Fines are cumulative, that is, each infraction will be separately evaluated, and the appropriate fines imposed accordingly. The same rule will apply if the facts presented in the Host's bid presentations are altered in any way or if deadlines imposed by the IIHF are not adhered to.
